Please note that Autojumble is classified as any item which can be screwed, welded, bolted or otherwise affixed to a classic car or bike plus repair manuals and parts lists.  
 All other items such as tools and accessories, books and literature, brochures, toys and models are classified as trade.  
 The measurements given in the table below list the frontage first followed by the depth of the space. Half sites are available on outside sites at all venues but only after the first full site has been purchased. Floor plans are available on our website for events marked\*
