## ABOUT CLASSIC SHOWS

Classic Shows has been successfully organising classic car and motorcycle shows since 1985. In that time we've put on over 1000 events.

As the leading name in classic vehicle events, we hold events at any top-quality, prestigious and well known venues and have operated from most of the existing venues for over 20 years.

We offer cost-effective entry and trade pricing and strive to provide an enjoyable and entertaining day out for the whole family. We do not believe our visitors should pay to park their vehicles and therefore offer free parking at every venue.

## INSURANCE PARTNER

We are delighted to work exclusively with Stewart Miller & Peter James Insurance – the UK's leading insurance broker for the classic vehicle movement.

Be sure to contact them when it comes round to the renewal of your classic vehicle policy or any of your general insurance requirements.
