HOW WE CONTACT YOU

By confirming this booking, you agree for Classic Shows to retain your contact details in order to process the booking, issue your passes via the post, to keep you notified of any important updates about the event(s) you have booked to attend and to issue an events list and booking form once a year. Your contact details will be used only for this purpose unless you opt-in to the additional consent (see below). We will retain your data for a period of up to 6 years for accounting purposes and this information will not be shared with any third parties. Should you wish to exhibit a vehicle at a Classic Shows event but do not wish to provide your contact details, then you are unable to avail of a discounted exhibitor pass. You would however still be able to arrive at the event, pay the standard visitor admission price and exhibit your vehicle (subject to capacity). Alternatively, if you simply do not wish to receive correspondence via the post, please book via the website.

Tick here to receive the Classic Shows email newsletter to keep updated on upcoming events.

To learn more on how your data is used and stored, please visit: www.classicshows.org/privacy-policy.
 To withdraw at any time, please contact Classic Shows at info@classicshows.org or call 01484 667776.

Autojumble is classed as any item which can be screwed, welded, bolted or otherwise affixed to a classic car or bike, plus repair manuals and parts lists. **All other items are classified as trade** (such as tools and accessories, books and literature, brochures, toys and models).
